Central Calaveras Fire has received a grant from the Calaveras Community Foundation.

This \$8000 grant will fund a program to assist seniors in the Fire District with fire and smoke detector installation, reflective address and street signs, and chimney cleaning and inspection. Central Calaveras Volunteers will assist with smoke alarm installation and address signs. Qualified local chimney sweepers will be used to provide cleaning and inspection services. This program supports the Community Foundations Senior Initiative: allowing seniors to remain in their homes and to age with health, safety and dignity.
